**MITIGATING CIRCUMSTANCES**

Module Affected	Type of Assessment	Date

**Details of mitigating circumstances:**

Please provide a detailed description of the mitigating circumstances that may have affected your performance in the above modules, including the time-period over which these circumstances occurred. It is important to provide as much information as possible for the Mitigating Circumstances Committee and the Legal Advisory Council to consider your application. Simply stating 'I was ill' is not enough.

(Please use separate sheet of paper, if required.)

**Supporting documentation:**

Please attach all the supporting documentation of your claim. All documentation should be stapled to this form. Medical claims should be supported by a GP’s medical note or Consultant’s report, other claims should be supported by appropriate documentation (for example, police reports, insurance reports, death certificates).
