The English legal system

by Gillespie, Alisdair, - **2019**. - Copies: 1 of 1 available

THE ENGLISH
LEGAL SYSTEM
Alisdair Gillespie | 2019

This book enables students to first understand all of the key areas of the English legal system, and then to engage with the subject fully for themselves. The law is not just presented but critiqued, with a range of learning features which encourage students to actively engage with contentious issues and difficult questions.

The changing constitution

[2015] - Copies: 1 of 1 available

Since its first edition in 1985, This book has cemented its reputation for providing concise, scholarly and thought-provoking essays on the key issues surrounding the UK's constitutional development, and the current debates around reform. The seventh edition of this highly successful volume is published at a time of accelerated constitutional change in the wake of the 2010 general election and the formation of a Conservative / Liberal Democrat coalition committed to political reforms - including fixed term parliaments, a referendum on electoral reform, reform of the House of Lords, improved freedom of information, and reform of the House of Commons.

Contemporary intellectual property : law and policy

by Brown, Abbe. - **2019.** - Copies: 1 of 1 available

Contemporary Intellectual Property: Law and Policy offers a unique perspective on intellectual property law. It goes beyond an up-to-date account of the law and examines the complex policies that inform and guide modern intellectual property law at the domestic (including Scottish), European and international levels, giving the reader a true insight into the discipline and the shape of things to come. The focus is on contemporary challenges to intellectual property law and policy and the reader is encouraged to engage critically both with the text and the subject matter.

Equity and trusts

by Atkins, Scott - **2019** - Copies: 1 of 2 available

This third edition of Equity and Trusts continues to offer a comprehensive introduction to the subject and is suitable for students studying for an LLB or GDL. The book is written as though the author is there with the student, explaining the material to them and contains a wealth of examples, illustrations and guidance throughout, in an attempt to de-mystify one of the most difficult areas of law. It tries to bring the subject alive, so that the reader understands not only the law and the concepts underpinning it, but also appreciates that the law is founded upon real cases that affected real people.

Understanding world jury systems: through social psychological research

Copies: 1 of 1 available

This volume examines diverse jury systems in nations around the world. These systems are marked by unique features having critical implications for jury selection, composition, functioning, processes, and ultimately, trial outcomes. These unique features are examined by applying relevant social psychological research, models and concepts to the central issues and characteristics of jury systems in those nations using a wide variety of jury procedures.

Memory and miscarriages of justice

by Howe, Mark L., - **2018** - Copies: 1 of 1 available

Memory and Miscarriages of Justice provides an authoritative introduction to the role of memory in law. The legal system has been slow to adapt to research findings on memory, even though such findings have implications for the use of memory as evidence, not only in the case of eyewitness testimony, but also for how jurors, barristers, and judges weigh evidence. This book draws on the latest research to identify common misunderstandings and misconceptions about memory and bring to the forefront, the modern understanding of memory and its role in the legal system.

by Bamford, Keir - **2019** - Copies: 1 of 1 available

Kit Bamford,
Sarah Brown,
Julia Ewing,
Lobby King,
Anthony Pagan,
and Lisa Sawley

 CLP Legal Practice Guides

Legal Foundations provides a practical introduction to five subjects that are an intrinsic part of legal practice and which must be clearly understood by all practitioners: Revenue Law, Professional Conduct, EU Law, Human Rights, and Probate and Administration. Worked examples illustrate how these topics are applied in practice. Part II (Professional Conduct) has been rewritten to reflect the SRA Standards and Regulations due to come into effect in November 2019.

Civil litigation 2019/20

by Browne, Kevin - **2019** - Copies: 1 of 1 available

 CLP Legal Practice Guides

Civil Litigation is a thorough, up to date and practical introduction to the Civil Procedure Rules and the principles and tactics used in pursuing a civil case. The civil process has been divided into five stages, starting with pre-action considerations, moving on to examine the issue and service of proceedings, before considering interim matters, trial and enforcement. The aim of the book is to equip readers with the knowledge necessary to enable them successfully to navigate their way through these stages.
