The Mature Entrance examination consists of a researched essay on a legally related topic and lasts for one and one half hours. Candidates will be permitted to bring into the examination **printed** (not hand written) notes of your research conducted during this period, which are **not to exceed 200 words in length**. Your notes will be checked in the examination room and if they are found to exceed the permitted number of words they will be taken from you. Prior examination question papers are available upon request only after an application along with supporting fees has been submitted. Further information concerning the date of this year's examination and copies of past question papers are available from the Law School.
